Questions & Replies by John T. Polk II, www.johntpolkll.com
QUESTION: "Doesn't scientific law disprove God's involvement in Creation?" #2

ANSWER: NO. Scientific fact(s) prove "God's involvement in Creation," as clearly stated in **Genesis 1 & 2.**

1. **THERE IS NO PROOF OF CROSSING "KINDS."** In order for Evolution to be scientifically established, there must be evidence of in-between "kinds" of life, either in the laboratory or fossil history. EVOLUTIONISTS HAVE NEITHER! What has been done instead is tinkering with the terms used in "phylogeny" (**definition** is - the evolutionary history of a kind of organism).
2. the **evolution** of a genetically related group of organisms as distinguished from the development of the individual organism-<https://www.merriam-webster.com/dictionary/phylogeny>). Phylogenists draw an imaginary "evolutionary tree" and attach forms of life where they subjectively choose, to "prove" their false doctrine of Creation. The creation is substituted for the Creator!

2. THE BIBLE SETS THE MEANING OF THE CREATION

"KIND" IN: **Genesis 1:11**: "Then God said, 'Let the earth bring forth grass, the herb *that* yields seed, *and* the fruit tree *that* yields fruit according to its kind, whose seed *is* in itself, on the earth"; and it was so;" **Genesis 1:12**: "And the earth brought forth grass, the herb *that* yields seed according to its kind, and the tree *that* yields fruit, whose seed *is* in itself according to its kind. And God saw that *it was* good;" **Genesis 1:21**: "So God created great sea creatures and every living thing that moves, with which the waters abounded, according to their kind, and every winged bird according to its kind. And God saw that *it was* good;" **Genesis 1:24-25**: "Then God said, 'Let the earth bring forth the living creature according to its kind: cattle and creeping thing and beast of the earth, *each* according to its kind'; and it was so. And God made the beast of the earth according to its kind, cattle according to its kind, and everything that creeps on the earth according to its kind. And God saw that *it was* good.'" NO FOSSIL HAS EVER BEEN FOUND THAT VIOLATES THESE SET "KINDS!" Fish have never become birds, grass has never become peaches, cattle and creeping things have never become fish or birds! These same separations were preserved in Noah's ark (**Genesis 6:19-20**) and firmly solidified in the New Testament: "All flesh *is* not the same flesh, but *there is* one *kind* of flesh of men, another flesh of animals, another of fish, *and* another of birds" (**1 Corinthians 15:39**). THE BIBLE IS SCIENTIFICALLY TRUE, EVOLUTION IS SCIENTIFICALLY FALSE! Supporters of Evolution are anti-God and ignorant of science!

God's Wisdom in national governing

Guest post by **John Kachelman, Jr.**

The Holy Bible is “all-sufficient” in prescribing common-sense guidelines. Inspiration’s guardrails keep a nation strong, secure, and successful. Tragically, man is duped by the Devil, thinking mortal wisdom is superior to Inspiration’s wisdom. This devilish hubris has been responsible for the deterioration and erasure of many nations in man’s civilization.

In today’s daily Bible reading I came across a statement illustrating this point. **Deuteronomy 17:15, “You may not put a foreigner over yourselves who is not your countryman.”** Why? Because “*you shall not learn to imitate the detestable things of those nations*”(Deuteronomy 18:9).

The foreigner comes with the abominations of his country. The alien brings a determined resolve NOT to assimilate into the culture’s dress, religion, mores, and ethics. The inevitable consequence is that the “foreigner over” the citizenry, corrupts, disregards, and replaces the nation’s Rule of Law.

Tragically, this is a constant consequence in civilization. Voices tell us to be “more accepting,” “more tolerant,” “appreciate the differences,” “expand one’s sensitivities,” and lessen the impact of the nation’s laws. These are committing what Holy Scripture identifies as an “abomination.”

This is a true conclusion, but is shunned and condemned in our society. Political voices ignorantly say it is “unconstitutional.” Hollywood’s lunatics clamor for acceptance of evil. And the MSM paints the “foreigner” with obvious bias and the Constitutional patriot as the vilest villain. “Abomination” aptly describes this action!

When a nation erases Jehovah God, the LORD of heaven and earth and His regulations, by displacing, minimizing, or regulating Jehovah God, the LORD of heaven and earth to “equal” among all other “gods,” the nation is doomed.

A sobering look—consider the “foreigner over” congressional seats and appointments, judicial bars, university schools, etc. that refuse to assimilate into our nation and follow the Constitutional Rule of Law. And...there seems to be little concern of this development...and so is issued the unavoidable appointment for a nation—**“Prepare to meet your God!”** (Amos 4:12). NOTE: It is not only the “elected” that are held accountable but also the individual citizen!

Just my thoughts from today’s daily Bible reading...

John Kachelman, Jr.
