

The Lord Is My Shepherd by Tommie Jean Polk
An EDITORIAL on **Psalms 23** IN THE FORM OF A POEM

The Lord is my Shepherd;
My needs are fulfilled
With His constant caring
And His comforting will.

He provides me with rest
And quiet waters of peace.
My soul is restored;
He takes care of my needs.

He guides me in paths
That are safe and secure.
Through valleys of darkness
My way is made sure.

His rod and His staff
Gently help me along
As He takes care of me;
To Him I belong.

My Shepherd protects me
From dangers ahead.
He wants me to be safe
With nothing to dread.

He quenches my thirst
With water that overflows;
He is always present,
My needs He knows.

Goodness and mercy,
My partners will be;
God's watch dogs,
Always with me.

Forever with God,
We can safely be;
The Lord is our Shepherd
For ETERNITY.
